SRI T. R. SHAMANNA.—Is it not a fact that some of the Buses of KSRTC are not in good working condition ? Is it not also a fact are not in good working condition ? is it not also a fact that Drivers are given benus to make larger number of trips and thereby they resort to high speed and will these considertions also be taken into account to see that accidents are reduced ?

SRI M. MOHAMMED ALI.—I do not propose to say that all the fleet of the Corporation is perfect because some of the vehicles have outlived their life and therefore there is possibility of their break-downs enroute. But the whole difficulty is on the national highways particularly from Bangalore to Tumkur. Unless we have a parallel route and also avoid the heavy rush of traffic on the said route it is very difficult to reduce the accidents. Mostly accidents are due to heavy traffic.

SRI RAJA PID NAIK.—Will the Government think of setting up mobile squads on national highways to check the speed and punish the erring drivers ?

SRI M. MOHAMMED ALI.—It is alredy there.

SRI B B SAYANAK.—Whether it is a fact that the Truck Drivers are carrying labourers and marriage parties in the Trucks and t is is also one of the reason for increased accidents ?

SRI M. MOHAMMED ALI.—I want notice.

SRI M. S. KRISHNAN.—Is not the accidents due to the bad maintenance of your vehicles ?

SRI M. MOHAMMED ALI.—I have said there are various reasons for accidents. This may also be one of them.

† ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಕಟ್ಟಡ ಇಲ್ಲ, ಒಂದು ಕಟ್ಟಡದ ಅವಶ್ಯಕತೆ ಇದೆ ಅದನ್ನು ಮಾಡುವುದಕ್ಕೆ ಪಿ.ಡಬ್ಲ್ಯೂ.ಡಿ. ನವರು ಅಂಧಾಜು ಆಗಬೇಕು ಎಂದು ಹೇಳುತ್ತಿದ್ದಾರೆ. ಅಲ್ಲಿ ೫೦೦ ರೂಪಾಯಿಯಿನ ಕರೀ ಹೆಂಚಿನ ಮನೆ ಆದರೆ ಸಾಕು.

ಶ್ರೀ ಪಿ. ಎಂ. ಭಾಂಗಿ —ಹಳ್ಳದ ದಂಡೆಯಲ್ಲಿ ಅನಾಗರೀಕತೆಯ ಸೌಕರ್ಯ ಇದೆ, ಒಂದು ತಾತ್ಕಾಲಿಕ ಷೆಡ್ ಆದರೂ ಕೂಡಲೇ ಹಾಕಿಸುವುದಕ್ಕೆ ಏರ್ಪಾಡು ಮಾಡುತ್ತೀರಾ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಈಗ ತಾತ್ಕಾಲಿಕ ಷೆಡ್ ಹಾಕಿಯೇ ಕೆಲಸ ಮಾಡುತ್ತಿದ್ದಾರೆ, ಅದಕ್ಕಿಂತ ಕರೀ ಹೆಂಚಿನ ಮನೆ ಕಟ್ಟಿದರೆ ಉತ್ತಮ, ಅದನ್ನು ಮಾಡಿಸುತ್ತೇವೆ
